

ASME Insights: Music Education Research Unpacked

If you have some experience with music education research, we'd love you to write for *ASME Insights*.

Instructions for authors

1. **Clarity is Key:** Ensure that all content is written in clear, accessible language, avoiding jargon whenever possible.
2. **Stay True to the Research:** Translate findings accurately, maintaining the integrity of the original research while making it understandable for a broader audience.
3. **Keep it Concise:** Present information succinctly, focusing on the most relevant points to maintain reader interest. Aim for around 500 words.
4. **Cite Your Sources:** Always attribute information to its original source, using hyperlinks in the text, linking to open access resources wherever possible.
5. **Foster Dialogue:** Encourage reader engagement through comments, questions, and discussions, fostering a sense of community around the blog.

Please also include

- Author bio (50 words) and professional photograph
